

## **International Spring Festival Family Jeopardy Rules**

*3 families ( a parent and a child who is ten years old or older)*

Before the Game: (time, 1 Min)

- Team Identifies
  - *Spokesperson*-provides the answer
- Each representative rolls the dice

Rules:

- No cellphones and no solicitation of answers from the audience
- The team who rolls a high score off the dice, will start the game by picking a category
- Moderator will read the answers and allow the team 10 seconds to answer
- Answer must be in the form of a "question"? or it gets defaulted to the other team
- If the answer is correct, the team gets the valued points
- if not- the team gets "0" zero points, and the other team in line, gets the chance to steal the question.
- If this team did not get the right answer, the other team gets to steal it. No points will be taken off if the answer is incorrect.
- And the next turn will default back to the next one in line to pick the category.
- Results are tallied by one of the facilitators on a flipchart.

Double Jeopardy

- Double jeopardy is equivalent to 6000 points when the answer is correct.
- The team gets a zero if they answered incorrectly and will not lose any points. The other team gets to steal the question. If answered correctly, they only get 3000 points.

### Final Jeopardy

- Add the final score from the flipchart.
- Each team will discuss how much they want to wage
- Write the wager on the card
- Facilitator to pull the final jeopardy question
- Teams have 10 seconds to answer
- Once completed, the facilitator will gather the sticky card from each team and reads the answer provided by each team
